

## **Community Resources**

The Board of Directors recognizes that one of the greatest resources of the school system is found in the people of the community who have special knowledge and particular talents to contribute to the school program. The board, therefore, encourages the use of community resources and citizens to assist in furthering the educational program. The use of outside personnel and resources shall be approved by the principal and reported to the superintendent.

Approved: October 19, 1998

Revised: September 29, 2015
