

## Motorized Vehicles on School Property

It shall be the policy of the school district to not allow motorized vehicles on school grounds except for the following reasons:

1. School district sponsored events where parking in designated areas is approved, such as football games, basketball games, contests, etc.
2. Vehicles for regular school and general grounds work approved by the superintendent or board.
3. Other events when approved in advance by the superintendent or his/her designee for such usage: Little League games, sponsored softball, Fourth of July celebration, etc.

Any motorized vehicle owner that ignores this policy will be subject to arrest for public trespassing. The board will prosecute owners of such vehicles.
