

Care of School Property/Vandalism

Students shall treat school district property with the care and the respect they would treat their own property. Students found to have destroyed or otherwise harmed school district property may be required to reimburse the school district. They may be subject to discipline under board policy and the school district rules and regulations. They may also be referred to local law enforcement authorities.

It shall be the responsibility of the superintendent, in conjunction with the principal, to develop administrative rules regarding this policy.
